ABOUT AMISTINEA ESTATE

AMISTINEA ESTATE

The Amistinea Estate will be a secure and vibrant community made up of 51 units of modern and spacious 2 and 3 bedroom townhomes, semi-detached and detached single family residences.

It is located on a 7-acre plot of land and is being built around some of the existing trees in the area to help preserve the environment. Each home is designed with a contemporary African feel to give you a warm, rich feeling of being on the continent.

This community will be a calm and peaceful oasis, nestled in the hills of the picturesque suburb of Aburi just 10 minutes from the Aburi Botanical Garden and will give you a sprawling view of Accra and its neighbouring towns. From the Odwira festival, to the Crafts Market and approximately 45 minutes from Kotoka International Airport, Aburi, in the Akuapim South Municipal District of the Eastern Region of south Ghana, has so much to offer.

Owners and residents will find our luxury properties built with attention to detail, set in beautiful surroundings with manicured lawns, luscious trees and flowers, a mini botanical garden, children's playground, clubhouse, rooftop swimming pool, gym, bar dom water falls, Atv quad bike, Safari Valley, Tetteh Quashie cocoa farms, Boti falls, Bonsu Aboretum Canopy and much more.

ABOUT COLEWOOD PROPERTIES

COLEWOOD PROPERTIES

Our customers are at the heart of what we do - we are driven to provide high quality, modern, spacious homes coupled with excellent standards of customer service. We will work with you and guide you through the process of finding your dream home. All of our properties are built using advanced, cutting-edge technology and are located within secure and sustainable communities in sub-Saharan Africa. ColeWood Properties is an affordable and luxury real estate development company, based in Accra, Ghana. With over 25 years of experience in the property and real estate markets in both the United States of America and Ghana, we provide the knowledge and expertise to help you choose the right home to suit your needs.

Our homes and spaces are designed for living comfortably in a safe and secure environment. We create sustainable communities where the properties and landscape give you a sense of peace and harmony by incorporating and showcasing the natural environment. We utilise advanced technology to build high quality homes with modern features, larger spaces and plenty of natural light combined with contemporary African designs and functional appeal. Whether you are a first-time buyer or seasoned investor, our team will work with you to create tailor made solutions to guide you through the entire buying process from beginning to end - from providing access to advice on finance to helping you choose the right finishings and materials to complement your brand, new home.
